DISCLOSURE STATEMENT

- I understand that the state law requires construction to be done by a licensed contractor and under the provisions of O.C.G. A. § 43-41-17, I have applied for an owner-builder permit for an exemption from the law. The exemption specifies that I, as the owner of the property listed, may act as my own contractor with certain restrictions even though I do not have a license.
- I understand that as owner-builder I may build or improve a building or structure on real property owned by me which is intended upon completion for use or occupancy solely by me and my family, firm, or corporation and its employees, and not for use by the general public and not offered for sale or lease.
- I understand that as owner-builder, I must provide direct, onsite supervision of the construction. I also understand that I may not delegate the responsibility for supervising work to a contractor who is not licensed to perform the work being done.
- I agree that, as the party legally and financially responsible for this proposed construction activity, I will abide by all applicable laws, ordinances, building codes and zoning regulations.

The above information is true and correct, and I so depose and state before an officer authorized to administer oaths by the State of Georgia.
