#### **Accessory Structure Affidavit**

#### NO STRUCTURES OF ANY TYPE SHALL BE INSTALLED OR CONSTRUCTED WITHIN ANY EASEMENT

#### **ACCESSORY STRUCTURE REQUIREMENTS**

I have reviewed Chapter 16 of the Forsyth County Unified Development Code and understand the supplementary regulations for accessory structures in residential zoning districts. I also understand that an architectural inspection will be required to verify compliance with the specific requirements for height or exterior finish on accessory structures in residential zoning districts. I will be responsible for correcting any deficiencies that are identified by the Zoning Inspector or any other authorized County Department.

**Height**: The height shall not exceed the height of the principal building.

**Principal Building**: Accessory structures must be constructed in conjunction with or after the principal building is constructed.

Finished Space: Please	provide area of finished space	es within the principal building:
———— (Finished spaces within thunder) unfinished basements, ga		clude unheated areas such as porche

**Exterior Finish**: Structures greater than 550 sq. ft. shall have exterior finishes substantially similar to those on the principal dwelling.

**Setback Requirements**: Accessory structures shall conform to the setback requirements of the zoning district in which they are located.

I	hereby certify that the above information is True
and correct.
